

Services in Detail

Coppertone Studios is a full service photography studio specializing in portrait, event, and intimate photography. Let Charlie Copper and Gregg Lind create unique works of art with you as the subject.

Gold Package

Let us turn your photographs into art with the Gold Package. We will add our **digital darkroom** magic to at least five of your photos per hour of shooting. By choosing this package you will also receive a disk (CD or DVD) containing all of your digital negatives! Let us use our extensive experience to create the image of yourself you've always wanted.

Silver Package

Have a graphic artist in your household? Simply looking for an extra hand to frame and take your photos? Do you have a grand plan for your photos that only you can accomplish? Then the Silver Package might be perfect for your needs. With the Silver Package we let you do your own cropping and post-processing. You will still have the choice of shooting in our studios, with your choice of scenes and backdrops or at a location of your choice. Let us bring the lighting and the photographic expertise. You do the rest! You receive a CD or DVD with the negatives so you can let your imagination run wild!

Basic Package

The Basic Package is perfect for when you just need a few pictures for a specialized purpose. Do you need headshots? Placing on online personal? Want to remember a makeover? The right image makes a big impression, and can be the difference between success and failure. Let us help you create yours. With this package, you only pay for the photos you like best! Choose as many (or as few) as you like!
